Sample Bequest Language for consideration

Many donors who already have established a fund at the Adirondack Foundation want to add to that fund in their will. Here is how a donor could add to their fund at the foundation:

I bequeath \$_____ to the [insert name of fund (the "Fund")] at the Adirondack Foundation, a New York nonprofit corporation. The Fund shall be governed by the Articles of Incorporation and Bylaws of the foundation (the "Governing Instruments"), and all amendments and policies adopted by the Board of Trustees of Adirondack Foundation under the authority of the Governing Instruments. The Adirondack Foundation shall use the fund to support the designated intentions stated in the fund agreement which established [insert name of fund as determined by donor (the "Fund")].

Sample bequests to the unrestricted fund

[Optional: The Fund so established shall be known as the [name of Fund]]. Bequest to create other kinds of funds

In addition to unrestricted gifts, donors can create any other kind of fund by bequest. Donors may also create more than one kind of fund in their wills, such as a field of interest fund and a designated fund in the same bequest. Here is how a donor might create a field of interest fund supporting a local art center or senior citizen center:

I bequeath to \$_____ to The Adirondack Foundation, a New York nonprofit corporation, to create the [insert name of fund as determined by donor (the "Fund")]. The Fund shall be governed by the Articles of Incorporation and Bylaws of Adirondack Foundation (the "Governing Instruments"), and all amendments and policies adopted by the Board of Trustees of Adirondack Foundation under the authority of the Governing Instruments. The Foundation shall use the fund to support institutions in the Adirondack region of New York, supporting arts and humanities or assisting senior citizens.
