- **Stronger Together: Strategic collaborations, Shared Services, and Joint Fundraising**  
In challenging times, we are stronger together. As you may remember, the Adirondack Nonprofit Network was created in response to the Great Recession -- and it continues to serve and support our region's nonprofits and their leaders. Today's conversation will cover:
  - \* The collaboration spectrum: From sharing information to mergers
  - \* Collective strategic planning: Why and how
  - \* Tools and tips for better collaboration
  - \* More money together: Opportunities for shared fundraising

**Next Steps** (5 minutes)

- Lindsay wrap up and next steps
